ARCHIVE/SHARED LEARNING PROJECT

Started: February 2018

Meet: Approximately once a month

Group Leader: Sheila Underwood

This group was formed to link with the National Trust at Lyveden to form a Shared Learning Project. The aim was to research the life of Meriel, Lady Tresham and the life of Catholic women at that time. The work on the Resource file was almost completed and a hard copy was presented to the National Trust but the final matching of the electronic and hard copy versions was stopped by the Covid pandemic in March 2019. The Group therefore changed its focus and began to collate the archive of the early years of our U3A. This will be put onto the Thrapston and District website and be available to all. A hard copy will also be on display at the Open Day in May 2022 when the 10th birthday is celebrated.

Articles related to the Groups work can be found in the Archive box.
