

## **Speakers at The Plaza for the Rest of 2025**

### **June Speaker – Tracy Bayes. The Story of my Spiritual Survival**

My life is my work. My work being a spiritual counsellor sharing the gifts bestowed on me by spirit, to heal and comfort people after trauma and loss. I would like to share my story of the journey to where I am now - about to publish my life story! It's a story of growth and perseverance but most of all belief and trust in a higher power.

### **July Speaker – David Moyland. Funny Turns**

David Moyland has been a professional entertainer for most of his life. Funny Turns is a one man variety show remembering some of the greatest comic performers of all time. Along with some baffling magic tricks and a few daft songs along the way!

### **August Event - Summer Event at Thrapston Sailing Club**

### **September Speaker – Bert Flitcroft. How to Love Poetry**

Bert Flitcroft was born and brought up in Lancashire but now lives in the Midlands. A graduate of Sheffield University, he is an experienced and accomplished poet who for some time has been quietly and unassumingly spreading the poetry word as teacher, mentor, workshop leader, poet-in-residence, and reader. He has four collections of poetry published: 'Thought-Apples', 'Singing Puccini at the Kitchen Sink', 'Just Asking', and 'Seeing the Light'.

### **October Speaker – Neville Cooper. Discover South American Music**

Neville studied at The Welsh College of Music. He has been performing Latin, Jazz and Classical music with a variety of music groups for many years. He is a published composer and has produced a number of CDs. His music has also been performed by leading instrumentalists in England and America.

### **November Speaker - Spod Dutton. An Introduction to Acupuncture**

A whistle-stop tour of acupuncture, from its early roots to the latest evidence. Learn how an acupuncture treatment is delivered and what the benefits might be.

### **December Event - Christmas Event in the Plaza**

More details coming soon...
